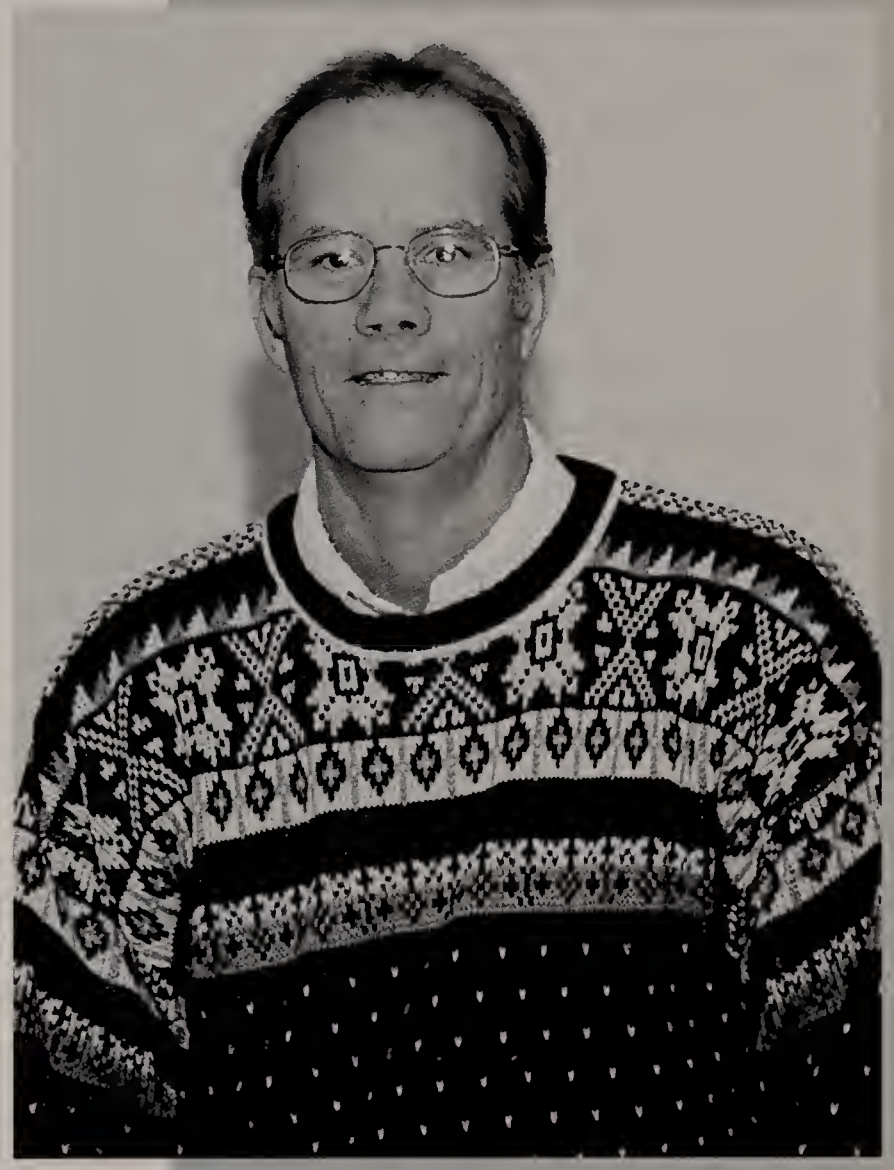
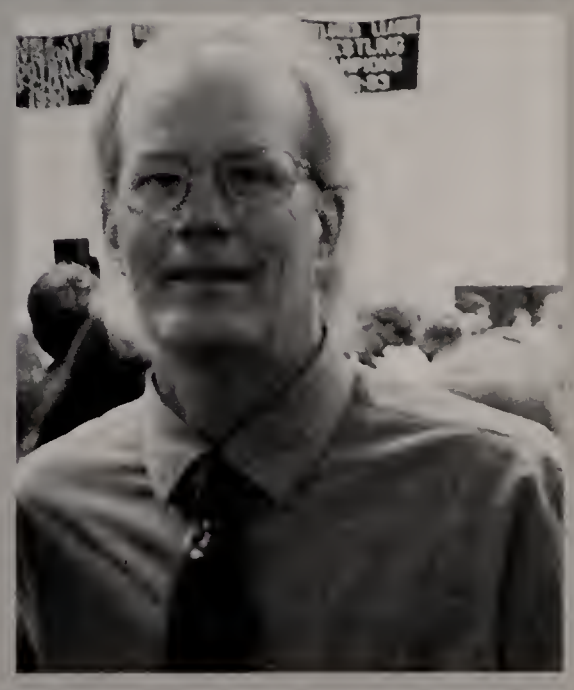
Dedication

Mr. Richard Vernon



As we culminate our high school career, the Class of 2005 is able to look back on our many accomplishments. We would not have been able to take this journey without our teachers to help us along the way. Among the many dedicated staff members, one stands out as being special to the Class of 2005.

Through his dedication and pristine patience we have been guided through our high school career by a man whose good nature is evident in everything he does. His greatest love is to see us grow through learning. He encourages us to learn from our mistakes and he gently steers us back to the right path. Like a compass, he always points us in the right direction, no matter how off course our journey may become. Whether it be wading through endless pages of literature or learning those pesky rules of grammar, his patience and enthusiasm never waned.



Both in the classroom and on the athletic fields he always led by quiet example…except for his trademark laugh, which could be heard echoing through the North Wing. Thanks to the unwavering devotion of this individual we were able to grow both as students and people. As a token of our gratitude the Class of 2005 dedicates its yearbook to you, Mr. Richard Vernon.

A Message from the Superintendent

To the Class of 2005:

For twelve years most of you have grown up with a pattern of life seemingly fixed and secure. At this time you are enjoying, quite properly, the sense of achievement which comes from reaching a goal long sought. During those twelve years you have developed from very young children into men and women ready for the responsibilities of adulthood.

Now you will face up to those responsibilities. In so doing you will find life to be an ever-varying and exciting mixture of success and failure. Fortified with the optimism of youth, and the education you have obtained, you have every right to be hopeful and confident. In that hope and in that confidence lies your best chance for personal success and satisfaction.

There will be those who will test you, will try to draw you away from the good life through cynicism and pessimism. But if you keep your ideals high, if you are not content with second rate, if you continue your ambition to the best – you will be.

My congratulations and best wishes go with you as well as my sincere appreciation to each of you for having been here with us at Tri-County.

Sincerely,

John M. Jones
Superintendent-Director

A Message from the Principal

To the Class of 2005:

Transition and change are constants in every life and, although you have experienced both to date, you are about to experience what may be the most significant yet. It is a frightening thought to be leaving the consistency and comfort provided by Tri-County's daily routine of class, shop and after-school activities. Never again will someone keep you on task or remind you of what needs to be done. We understand that; however, trust us. We know that you are ready for it.

During your years here, you have matured from young, nervous, incoming freshmen to mature, confident, graduating seniors. It has been a pleasure to watch you do so. A very important part of that maturation has been the work ethic your teachers have cultivated in each of you. It will facilitate all you attempt in the future. Whether you go on to college or immediately into the workforce, you will face new challenges. Knowing how to plan, work and persevere will enable you to accomplish your dreams.

As you go forth from Tri-County RVTHS to make your place in the world, remember also that we look for you to evidence the social and ethical skills you have been taught. Take pride in the work you will do, but take pride also in the fact that you are an American citizen and, as such, assume your role in society, contribute to your community, and care for your family.

Graduates of the Class of 2005 we are proud of you!

The ride is finally over and it has been an incredible one at that. We have all made great friendships and experienced unforgettable memories. Now it is time to follow our individual paths toward happiness. We will take the lessons we learned at Tri-County to find our own meaning in this world.

We look forward to seeing everyone at our five-year reunion. As for now, it was great sharing four memorable years with you and we hope that our paths cross in the future. We wish you all good luck with all your endeavors.

Thank you for allowing us to serve the Class of 2005.

A Message from the Class Advisers

To the class of 2005:

As one door is closed in your life a new one opens before you. Open each door with trust, holding your hopes and dreams very near…knowing that the world is waiting for the goodness and the passion you carry with you!

It has been my pleasure to work with you these past two years. Congratulations and good luck to all of you. Stretch yourselves to the limit to achieve your goals.

With love and pride,
Mrs. George

Dear Class of 2005:

I can hardly believe that the time has come to see you off as you graduate. All of you have grown and changed so much in the past four years. It has been a sincere pleasure to be your advisor and share in all the events that will leave us with many memories for years to come. I hope that you will cherish and always remember your time in high school. Remember to go after your dreams because every one of you can accomplish anything you desire.

Buena Suerte!

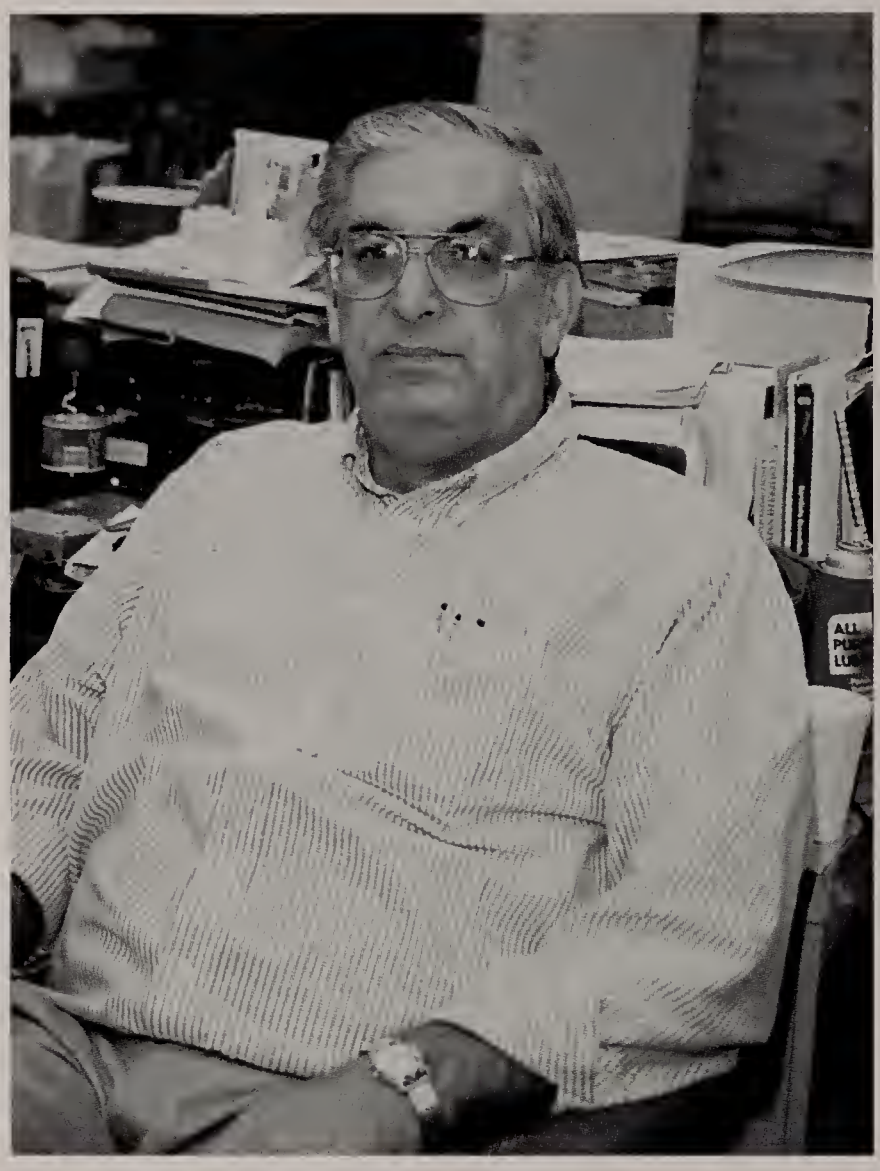
In Memory of Mr. Donald Coe



Don Coe started his career at Tri-County in December of 1977. Prior to his teaching career he had been a member of the United States Navy and a private electrical contractor.

Mr. Coe's first assignment at Tri-County was in the Plant Maintenance department, a forerunner to the current Facilities Management program. Due to changing enrollment the program was moved to the south wing and incorporated into the metal fabrication program in the late 80s. After several years in this program an opening became available in the Electrical department and once more he moved to fill the void. Wherever Mr. Coe moved he was admired and respected both by his students and other faculty members. His easy going and caring personality shone wherever he taught. His knowledge of the electrical trade was second to none and his professional demeanor was a shining example to all.

Whenever there was a student function at the school he was always involved. We remember him cooking those hamburgers and hot dogs over the hot grills on the football field during our Cougar Days. He was involved in many school fundraisers such as the flea markets and scholarship fundraisers. His support for student athletes was outstanding and he was always there with words of encouragement for them. Mr. Coe served on the board of the Teachers Association for many years and was instrumental in providing a comfortable and professional atmosphere for all faculty and staff to work in. He was one of the founders of the faculty golf league, which is now in its 25th year, and served as commissioner for the past 10 or more years.

All who were privileged to have known him, especially those of us who worked with him here at Tri-County for twenty-seven years, will miss Don. May he rest in peace with his beloved wife, Nancy.

In Memory of Tina Guerra

Tina Guerra may not have been one of the most well known people at Tri-County, but those who knew her best - her friends, miss her. Everyday that she was here, there was always an unexpected experience to be shared. Tina is remembered for her many talents, including her ability to make people laugh and her amazing artistic skills. She could change the worst situation into something that everyone would later laugh about. Her endearing personality, kind acts towards others, and lively personality will be missed. We all have so many memories of Tina, and though we cannot see her today, we will relive the moments for the rest of our lives. Tina Guerra, we loved you, and we will cherish your memory in our hearts forever.

The goal for the 2004 football season was to play football in December and go to the super bowl. We fell short by one game and ended the season with seven wins and a very successful season. The success was due in part to the team's senior leadership and talented players. Four year players included Nick Allen, Bob Dauer, Dan Loche, Josh Newman, Bob Paquette, Derrick Robinson, Rory Visser, and Chris Werner. We had two new comers which made major contributions, Steve Archambault and Corey Oster. Special thanks goes out to team captains and leaders, Bobby Levesque, Mark Zacchilli, and Pat Boudreau. The 2005 football team will miss these seniors and continue to work toward the goal of playing football in December.

The TC Golf Team gripped and ripped it to qualify for the District II State South Sectionals at Easton Country Club. They also challenged their golfing skills by competing in the State Vocational and Mayflower League Championships. They earned a match play record of 5 and 5. Our four seniors – TJ Rizzo, David Charette, (Most Improved Player), Mike Williams (Coach's Award), and Captain Kolby Simmons (Most Dedicated Player) provided the strength of the team. Kolby was also recognized as a Mayflower League All-Star, Sun Chronicle All-Star, and Metro West Second Team All Star. Rick Hart and Jake Lapointe completed our competitive team roster. Luke Audette, Jared Parchesky, and Karissa Parker battled with chipping and putting to earn a point position throughout this season. Our rookies – Scott Guilbert, Mike Phillips, and Neil Robinson worked hard to develop an array of golf shots for future competition.

The boys' varsity soccer team began a long rebuilding process this year. After losing nine Seniors from the previous squad, chemistry and youth became the focus. With just three Seniors on the 2004 squad, the Cougars started anew learning a lot about soccer, life, and each other. Many underclassmen saw considerable playing and gained invaluable experience. The process has begun, and the future looks bright.

SENIORS

Kara Ambrose, Maggie Bayer, Amanda Byrne, Tanya Callahan, Vanessa Morrissette, Jennifer Palumbo, Kate Walls

Led by captains Kara Ambrose, Maggie Bayer and Jen Palumbo, the 2004 girls varsity soccer team enjoyed unparalleled success in their inaugural season. The Lady Cougars captured the Mayflower League Championship as well as the State Vocational Championship. The unlikely run to two team titles is as unprecedented as it is surreal.

Seniors Kate Walls, Tanya Callahan, Amanda Byrne, Vanessa Morrissette will be missed.

Looking towards the future, Brittany Notturno, Amanda Dellea, Meg Bernardo, Jen Hobbs, and Tiffany Barr will lead the team for 2005. Heather Eastty, Lauren Dennehy, Amanda MacPherson, and Alisha Giusti will return as seasoned sophomores.

Congratulations to the Lady Cougars who compiled a 7 - 1 record in League play with an overall record of 14 - 6.

The 2004-05 season was an interesting one of sorts. The most competitive team as of late to be put on the court found themselves blowing away teams, over matched by others and surprising some. From the first game of the season being blown out by the South Shore Christian Crusaders and then handing them a loss later that season at home and keeping them out of the state tournament was a true barometer of how this team faired during the course of the season. Coming in second at the Blackstone Valley Tournament was a great tribute to the hard work the seniors had done in the off season. The underclassmen play of Jeff Powers earned him an ALL TEAM tournament award as did Mike Verpaelst.

Not finishing over .500 and not getting into the State Tournament was a disappointment, but to see this team perform at its best was a privilege and a pleasure. They were more competitive and in more games than not, but were on the learning curve of what it takes to win games. Preparation, proper preparation is essential to the success of the team and its objectives. Having opportunities to enhance one's ability and *utilize those opportunities to become a better player* and a better leader will render a better team. A true leader is not only shown on and off the court during the season but is recognized for the things that are done during the off season as well. Awards and recognition are not to be expected but to be earned. To receive such recognition is only one accomplishment out of the thousands in life. How we deal with adversity, disappointment and overcome those challenges make us who we are. We did not win as many games as we lost, however as players and as individuals we became better men than boys for our efforts and our fortitude. For that I thank all those individuals who contributed without remorse to the team and left it all on the floor. To those, Thank You.

To the seniors, for your efforts and attentiveness to directions and the will to win; this will be what you leave to the underclassmen, for them to strive to win. May you all have success in your endeavors and may you continue to strive to be the best person you can be with the things you have learned here at Tri-County...and don't forget to "Save a Horse..."

"Thanks for the memories!!!" Senor Tri-Captains Kara Ambrose, Brianna Rozak and Amanda Byrne along with seniors: Keya Cash, Jennifer Barr, Frances Rubino and Tanya Callahan. The Lady Cougars had "a banner year" compiling a record of 19 and 3 and gaining a berth in the State Vocational and MIAA tournaments. The Lady Cougars also saw their first 1,000 point scorer in school history – Brianna Rozak. The ladies received the State's Division IV Sportsmanship award. Coach Provost and his "merry band of women" (18 of them) also had a very successful JV season as he groomed them for future success. Thanks ladies for all your hard work, contributions and accomplishments. Good luck to all!!!

The Cougar wrestling team grew in size and strength for the 2005 season. Though it was a rebuilding year, the Cougars' season was highlighted by a dominating 66-0 victory over South Eastern Regional. With the addition of solid underclassmen, John Cavanaugh, Justin Cicchietti and John Bowman, the Cougars look promising for the future. The team will be looking to Devin Gray and Kyle Rock to set a winning example for the 2006 season.

On the heels of a 15-win season and the State Vocational Title, the Cougar Baseball Team had high expectations for the 2005 season. However with the loss of 8 seniors the voids left behind were too much to be filled. The team suffered their first losing season in 3 years.

Although the team did not fare well, some players were able to achieve some impressive individual accomplishments. Andrew Wasnewsky finished his high school career batting over .400 and making the Mayflower All-Star Team. Matt Labine lead the Cougars in wins for the second straight season and lead all other Mayflower League pitchers in strikeouts.

Freshman Gregg King picked up his first varsity win and classmate Dan Grillo earned a starting position at second base by the end of the season. Four freshman in all played varsity baseball for the Cougars and two sophomores earned a starting role. The future looks bright for the Cougars.

The 2005 Tri-County Cougar varsity lacrosse season was a success. Despite a modest 8-8 record, the team finished the season in 4th place in the Massachusetts Technical Lacrosse League, and earned a spot in the state tournament for the 4th consecutive year. The Cougars were seeded 18th in the Eastern Massachusetts DIV III State Tournament and traveled to play the Canalmen of Bourne High School. The Cougars lost the match, but played well. With over eight starting players returning next year, and a large crop of junior varsity prospects, the coach of the Cougars is optimistic about the future of the lacrosse program and is looking forward to the challenge of the 2006 season.

After a year hiatus, the Tri-County Boys and Girls Track Team made a comeback in the spring of 2005. With only seven athletes the boys' team competed consistently against other teams twice their size. Although they were without a victory, they were in every meet and the strides they made over the course of the season were remarkable. Nathan Belcher was the leading point scorer for the boys excelling in the 200m and triple jump. The girls' team possessed greater numbers than the boys' team and posted a winning record last season. Brittany Weeden led the way in the 2 mile run, as did Tiffany Barr with her stellar contributions in the triple jump. The Tri-County Team sent two girls to the State Meet in the 100m dash. Rachel Vespa and Ally Duquette capped off wonderful seasons with strong performances against the state's top female runners.

Ode to ECC Seniors

Lucky Seniors this year,
Your Sophomores left you this here.
There have been field trips, there have been songs,
There have times when we didn't get along.
But through it all, thick or thin,
We always made it through, that's the thing.
Kate with her jokes and smiles,
Kara and her trendy styles.
Katie J. with her F.A.T. pride
And Paul showing us his creative side.
Kate Lowey and her leadership,
Amanda crooning on the class trip.
Kristin and Tracey, proud to be twins,
Tiffany and her uniform spins.
Kim with her blue hair,
We could spot her anywhere.
Sarah bringing in her McDonald's things,
Kayla with her necklace, bracelets and rings.
Ashley, known as Mama Moo,
Don't know what it all means, but we'll miss her, too.
It won't be the same these next two years!
With laughter, smiles and tears.

Love,
Your Sophomores
